

District 2 Training Questionnaire

The following training questionnaire will assist us in indicating what your training needs are and where we need to focus our training first.

To enable us to carry out this training where the demand is greatest, we are requesting that locals or members complete the form below. This does not obligate a local or a member on attending a course but just reflects their interest. We will contact you when we have enough participants to conduct the course (s) that you indicate.
