We are one. We are strong.

| UPDATED: JUNE 1ST RALLY AT ASARCO HEADQUARTERS |

After almost two years in negotiations with Asarco/Grupo Mexico on a new labor agreement, **the company still refuses to address many of the concerns we bring to the table.**

So far, we have defended our contract from **management's constant drive to make our jobs, earnings and benefits less secure**, but we need to show that union members are **united in solidarity at Asarco/Grupo Mexico** if we hope to change the company's attitude at the table.

In order to accomplish that, we will rally at Asarco corporate headquarters in Tucson

3pm-5pm* on Monday, June 1st.

Asarco Headquarters

5285 E Williams Circle, Tucson, AZ

**note the time change from the previous issue of Unity In Copper*

We cannot allow Asarco/Grupo Mexico management to continue to divide us and **must continue to fight for equality** – regardless of department, location or hire date.

WE DESERVE A FAIR CONTRACT NOW!
