

“Our Amalgamated Local has seen 9 plant closings with more than 800 members permanently losing their jobs in the last 6 years. With more than half our members gone, our membership has been reduced to less than 665. An additional 60-70 more members will lose their jobs in December. Barack Obama has committed to stand up for unions and wants to stop the outsourcing of jobs. His co-sponsorship of the Employee Free Choice Act reinforces his promise to help our unions grow. Barack Obama supports unions! It’s that simple!”

Barack Obama’s Plan:

- ◆ Put the American worker first. Make sure trade agreements include protections for our workers, and for the environment.
- ◆ Provide immediate TAX RELIEF for 95% of working families. \$1,000/family or \$500/individual. The only people that will pay more in taxes are those who make more than \$250,000/year.
- ◆ Make sure the Government is spending OUR tax dollars on products that are made in America. Stand UP for “Buy American Legislation”.

John McCain’s Plan:

- ◆ Make the Bush Tax cuts for the wealthiest Americans PERMANENT, while providing no relief for workers.
- ◆ Make working families PAY TAXES for Employer-sponsored Healthcare. Make no promise for improving accessibility or lowering Premiums.
- ◆ Continue the mistakes of the past. Carry on the Bush-Legacy of Free Trade and jobs going overseas. John McCain has voted lock-step with the Bush Administration, and helped authorize 138 Free Trade Agreements over the last 8 years.
- ◆ “Buy American” legislation, that requires the federal government buy American-made products is “disgraceful.” (www.politifact.com)
