

“For the last 8 years our local has fought for our jobs, healthcare, and pensions. Recently we’ve experienced layoffs at one of our largest facilities—Horsehead Corporation. John McCain has gone on record speaking out against us and our union on many issues. Barack Obama is the candidate that will stand up with us and fight for a better future for working people.”

Barack Obama’s Plan:

- ◆ Put the American worker first. Make sure trade agreements include protections for our workers, and for the environment.
- ◆ Provide immediate TAX RELIEF for 95% of working families. \$1,000/family or \$500/individual. The only people that will pay more in taxes are those who make more than \$250,000/year.
- ◆ Make sure the Government is spending OUR tax dollars on products that are made in America. Stand UP for “Buy American Legislation”.

John McCain’s Plan:

- ◆ Make the Bush Tax cuts for the wealthiest Americans PERMANENT, while providing no relief for workers.
- ◆ Make working families PAY TAXES for Employer-sponsored Healthcare. Make no promise for improving accessibility or lowering Premiums.
- ◆ Continue the mistakes of the past. Carry on the Bush-Legacy of Free Trade and jobs going overseas. John McCain has voted lock-step with the Bush Administration, and helped authorize 138 Free Trade Agreements over the last 8 years.
- ◆ “Buy American” legislation, that requires the federal government buy American-made products is “disgraceful.” (www.politifact.com)
