

**“Our jobs are being eliminated -- our children no longer have the opportunities for employment as we were afforded. Health Care -- How Important is this? Ask me - I've had 3 bouts with Cancer - my bills were astronomical and I certainly wouldn't be here today if my UNION hadn't fought for the benefits we have! Obama has walked picket lines, and he wants to help us grow. McCain is out to destroy the union movement....just look at his record!”**

### **Barack Obama's Plan:**

- ◆ Put the American worker first. Make sure that trade agreements include protections for our workers, and for the environment.
- ◆ Provide immediate TAX RELIEF for 95% of working families. \$1,000/family or \$500/individual. The only people that will pay more in taxes are those that make more than \$250,000/year.
- ◆ Make sure the Government is spending OUR tax dollars on products that are made in America. Stand UP for 'Buy American Legislation'.

### **John McCain's Plan:**

- ◆ Make the Bush Tax cuts for the wealthiest Americans PERMANENT, while providing no relief for workers.
- ◆ Make working families PAY TAXES for Employer-sponsored Healthcare. Make no promise for improving accessibility or lowering Premiums.
- ◆ Continue the mistakes of the past. Carry on the Bush-Legacy of Free Trade and jobs going overseas. John McCain has voted lock-step with the Bush Administration, and helped authorize 138 Free Trade Agreements over the last 8 years.
- ◆ “Buy American” legislation, that requires the federal government buy American-made products is “disgraceful.” ([www.politifact.com](http://www.politifact.com))
