

“Obama is on a mission to restore the diminishing American dream. He recognizes that unions share the same goal, and his voting record reflects that. Obama has a 98% pro-worker voting record. John McCain, on the other hand does not understand America’s middle class working families’ issues.”

### **Barack Obama’s Plan:**

- ◆ Put the American worker first. Make sure that trade agreements include protections for our workers, and for the environment.
- ◆ Provide immediate TAX RELIEF for 95% of working families. \$1,000/family or \$500/individual. The only people that will pay more in taxes are those that make more than \$250,000/year.
- ◆ Make sure the Government is spending OUR tax dollars on products that are made in America. Stand UP for ‘Buy American Legislation’.

### **John McCain’s Plan:**

- ◆ Make the Bush Tax cuts for the wealthiest Americans PERMANENT, while providing no relief for workers.
- ◆ Make working families PAY TAXES for Employer-sponsored Healthcare. Make no promise for improving accessibility or lowering Premiums.
- ◆ Continue the mistakes of the past. Carry on the Bush-Legacy of Free Trade and jobs going overseas. John McCain has voted lock-step with the Bush Administration, and helped authorize 138 Free Trade Agreements over the last 8 years.
- ◆ “Buy American” legislation, that requires the federal government buy American-made products is “disgraceful.” ([www.politifact.com](http://www.politifact.com))
