UNITED STEELWORKERS UNION, LOCAL 689

ORGANIZES EMPLOYEES AT THE USEC AMERICAN CENTRIFUGE PROJECT

The United Steelworkers Union, Local 689 who currently represent the hourly workers at Fluor-Babcock Portsmouth, B&W Conversion Services and Wastren EnergX Mission Support (Piketon, Ohio) is proud to announce and welcome the USEC/ACP employees from the Maintenance, Operations and IHHP groups who have elected to join our local. USEC, Inc. and USW Local 689 agreed to conduct a non-adversarial approach during the organizing campaign that led to a successful vote on March 14th and 15th, 2013.

The Local Union anticipates successful contract negotiations in the weeks ahead, while concurrently pursuing support to ensure the successful implementation of the American Centrifuge Project.
